DAHLIA ORDERS

Will be filled during April and May but may be sent to us any time for booking, and will be filled in the rotation received. No Dahlia orders will be filled after June 1. On orders of \$10.00 or more, you may select 10 per cent of the amount, extra, in dahlias as a premium.

DAHLIA GUARANTEE

We guarantee all bulbs we send out to grow and be true to name, but we will not be responsible for any more than the purchase price represented by replacement of bulbs. In case of dahlias not growing, they must be returned to us by July 1, of the season when purchased, with our labels attached. Sometimes bulbs are slow to sprout, but if at the end of 20 days they have not done so, remove the earth carefully from the bulb and, if still dormant, return it to us. We can send you another at once. However, if it reaches us too late for planting that season, we will book the order for filling the season following. Flowers considered untrue to name should be sent to us by parcel post for verification. Any extras we may include free in orders are not subject to this guarantee.

TERMS

The prices on all Dahlias are net. Carrying charges prepaid on all orders for \$2.00 or more, on less amounts add 5c per root, to cover postage. Remittance should be sent by Postoffice or Express money order, checks, drafts or stamps. Currency sent through the mail at sender's risk.
